NO. 1

Dedicated to:

Our many listeners and readers of The Mission Trail and to all lovers of the truth everywhere who have made it possible for us to continue the spread of the gospel throughout the year 1967. May God cause his face to shine upon each of you. As you check over the pages of this volume, may it create within your heart a greater desire to see God's work move forward in 1968.

—The Murphey family
